County Firemen to Display Skills at Annual Convention

The Antioch Fire Department will be represented at the Lake County Firemen's Association annual convention at Gurnee on Saturday, May 22.

A team from the Antioch Fire Department will take part in various competitions held at the convention, Chief Simonsen said. In addition, any firemen who wish may attend.

Hosts for the day will be the Newport Township and Gurnee Fire Departments.

The day's action will include competition in five-man and three-man hydrant hook-ups and water fights involving some 35 fire departments.

Events will begin at 9:30 a.m. with opening ceremonies conducted by Clarence Collins of Grayslake, Association president. Truck inspections will follow. Inspecting officials are Chief Art Wright, Log Cabin Arbor Fire Department of Rockford; Marvin Austin, engineer from the Illinois Rating and Inspection Bureau; and Captain George Trier, drill master of the Skokie Fire Department.

A parade through Warren

and Newport Fire Districts will follow the truck inspections. The parade will end in Gurnee.

The water fights will be held in the afternoon on O'Plaine Road in Gurnee. Trophies will be awarded to first and second place winners in the water fights, also to first place in the truck inspection and hydrant hook-ups.

A Grand Award trophy will be given to the fire department which scores the

highest total points in the day's events.

More than 30 pieces of fire fighting apparatus will be on display, and over 1,000 fire fighters are expected to attend.

Gurnee Fire Chief Sam Dada, co-chairman of the event with Newport Fire Chief Leroy Fritz, invited all Lake Countyans to attend the convention and see the equipment used daily to protect their lives and property.

AGS Band Takes Another First

The Antioch Grade School Band took first place honors at the State contest at Plainfield, Ill., last Saturday.

In solos and ensembles, the band members took four first place honors, twelve second place honors and one third place honor.

Solo honors were taken by Pam Stewart and Gary Rush on clarinet, Glen Erickson on trumpet and Bonnie Bohnen and Linda Frad in a saxophone duet.

A banquet was held after the contest by the band parents Association to honor the band and its director, Mr. George Ollsar.

Graduating members of the band were presented with pins by Mr. Ollsar for the Band Parents Association.

Mr. Ollsar received a sash and jacket, presented by Mrs. L. Frad, president of the Parents Association, in appreciation of the excellent work he has done with the musical program at the school.

In the 12 years that Mr. Ollsar has directed the band, it has taken part in 11 contests. The band has won honors in each contest entered.

In District contests, the

Antioch Grade School Band has won 11 first places in 11 years. In State contests, the bands have won ten first place honors and one second place in 11 years.

Mrs. Aschenbrenner was given a vote of thanks for the work she has done in helping members of the band in preparing for solos and ensembles. She also acts as accompanist at contests.

Mr. and Mrs. R. Whitacre, Mr. C. Houghton and Mrs. Aschenbrenner were guests of the Band Parents Assn. at the contest. Mr. Whitacre is superintendent of the Antioch Grade Schools, Mr. Houghton is principal of the Oakland School.

New Store In Plaza To Open

Another new store opened in the Antioch Shopping Plaza this week — Antioch Drugs. The store opened May 10.

The new store is owned and operated by William Mendrala of Palatine and Edward Raftery of Arlington Heights. Both are graduates of the University of Illinois.

ED RAFTERY, co-owner of Antioch Drugs, welcomed customers to the newly opened store Monday.

School of Pharmacy and are registered pharmacists. The new store is large—6,000 square feet—of concrete block construction, with the inside walls painted in pastel colors and some wood paneling. The inside is spacious and bright.

Antioch Drugs carries a complete line of prescription drugs, drugs of all kinds, cosmetics, gift items, and sundries. "We aim to give people the best possible service," Mendrala said.

Mendrala and Raftery own one other drug store, located in Wheeling. Neither are chain stores. "We've both worked in drug stores since we were 14 years old," Mendrala said. "I started in a soda fountain. We both worked in drug stores while we attended college."

Bill Mendrala and his wife, Nancy, have four children, ranging in age from 9 months to 10 years old. Ed Raftery and his wife have one child, a daughter 4 years of age. Both will spend part of their time at Antioch Drugs.

Grand opening of the store will come some time in June, with prizes, etc. The store will be open from 9 a.m. to 10 p.m. seven days a week.

Name Outstanding Seniors Of 1965

James Edwards, son of Mr. and Mrs. Elmo Edwards, 600 Parkway, Antioch, is the Valedictorian of the graduating class of 1965.

James maintained an excellent academic record for the four years and has been consistently on the High Honor Roll.

While scholarship has taken much of James' efforts, he has had sufficient time to participate in a variety of extra-curricular activities such as: Basketball, track, cross-country and membership in the "A" club; senior band 4 years and dance band 3 years; Science Club 2 years; and Class Executive Board 3 years.

James has also been interested in dramatics as a member of the class play "Gaslight." He is now serving as president of the senior class.

Three years has been spent on the Student Council. He has been a member of the National Honor Society his junior and senior years.

James' hobby is coin collecting and out door sports. He has been accepted in the Pre-Medicine School of the University of Illinois.

Rosemary Frank and Bruce Dalgaard have been selected as the outstanding girl and boy of the graduating class.

Rosemary is the daughter of Mr. and Mrs. LeRoy Frank, Antioch. Bruce is the son of Mr. and Mrs. Bruce Dalgaard, Antioch.

Both students have had excellent academic records and have been members of the National Honor Society for two years.

Music and dramatics have occupied much of Rosemary's time. She has been a participant in the swing choir for three years and has served as president in her senior year. Rosemary sang leading roles in the high school musicals "Brigadoon" and "Song of Norway." She was granted the Antioch Woman's Club Chorus Scholarship in her junior year.

Rosemary has been a member of the Pep Club and has served as cheerleader. In her sophomore year she was on the Homecoming Court. She was a member of the Spanish Club and served as secretary in her sophomore year.

Rosemary has been on the

Rosemary Frank

Bruce Dalgaard

executive board of her class and has been a representative to the Student Council.

Her hobbies are water skiing, reading and singing.

Rosemary will prepare herself as an elementary teacher at Eastern Illinois University.

Not only has Bruce Dalgaard been selected as the outstanding boy but because of his scholarship he is the Salutatorian of the graduating class of 1965. Athletics has occupied much of Bruce's time. He has participated in basketball, track and cross-country. He has been a member of the "A" Club for the past three years.

Bruce received a notable distinction when the student body elected him president of the Student Council his senior year. He was sophomore and junior class president and a member of the Student Council for four years.

Bruce served on the Class Executive Board for three years.

His hobby is sports.

He has been accepted in the school of pre-medicine at the University of Illinois.

Historians Society Invites Public To Attend Meeting

Adeline Geo-Karis, well known Waukegan attorney, will be the guest speaker at the open meeting of the Antioch Historian Society to be held Thursday, May 20, at 7:30 p.m. at the Antioch High School.

The Historians Society was recently organized at the high school. Harold Andrews is the faculty sponsor and Michael Davis is president. Chairman of the May 20 meeting is Walter Henning.

Mrs. Geo-Karis will speak on a historical subject. The gathering is open to the public.

Rescue Squad Aids Youths Injured In Head-On Crash

Three Antioch youths were injured in a head-on collision on Route 173 just west of the intersection with Route 45, at 2:30 a.m. Sunday, May 9.

Edward Valek, 24, of Orchard St., Antioch, James and John Sheppard, 18-year-old brothers, 144 Longmeadow Drive, Lake Villa, all received head injuries and were taken to Victory Memorial Hospital, Waukegan.

Valek, the driver of one car, told sheriff's deputies he was driving east on Route 173 at a speed of 35 to 40 miles an hour. About one-fourth mile west of Route 45, he said, he saw a car approaching in the other lane, headed west. About fifty feet from him, he said, the car started to veer into his lane. Valek said he tried to avoid the approaching car but was unable to do so. After the accident, he told deputies, he ran to a tavern at the intersection and called police.

James Sheppard, driver of the other car, told deputies he did not remember what happened. John Sheppard also said he did not.

The three youths were taken to the hospital by the Antioch Rescue Squad.

In other calls, the Rescue squad took Ruth Sheehan, 1026 Victoria, Antioch, to Victory Memorial Hospital on Monday, May 11, suffering from abdominal pains.

Clean-Up W/k Starts Monday

Mayor Raymond Toft has designated next week as Clean-Up Week in Antioch.

Starting Monday, May 17, you can start hauling the accumulation of winter debris from your attic, yard and basement, and pile it out by the curb in front of your house.

Village trucks will start picking up Tuesday morning, and will make the rounds of village streets every day through Friday. They expect to cover the north end of the village in the morning, the south end in the afternoon.

"This is a good time to get rid of those fire hazards," says Fire Chief Edgar Simonsen. "Get rid of that old mattress, those piles of paper, the heap of rags. Spontaneous combustion can start a fire in a heap of old cleaning rags. Stacks of paper, paper cartons, etc., feed a fire if one starts so that it's hard to extinguish."

So take advantage of the village's cooperation in helping you clean up your home and yard. May 17 through the 21st—Clean-Up Week.

Census Shows 2,765 People In Antioch

The unofficial results of Antioch's latest census were released by Mayor Raymond Toft this week.

The final count puts the total population of Antioch at 2,765, a gain of 500 persons since the last census on April 1, 1960.

The official result will be received from the Federal Bureau of Census later, Mayor Toft said. He was informed that the official count is usually slightly higher than the first unofficial figure.

Attorney Edward Jacobs said the rise in population shown by the census will bring additional income to the village in motor fuel tax funds amounting to about \$5 a year per additional person.

This increase, Toft said, should pay the cost of the census in the first year.

We had expected the count to show a population of about 3,000," Toft said. "However, the 500 increase is well worth the cost of the census. The next official census will be in 1970. By then we should go over the 3,000 figure."

The 1960 census showed a population of 2,265.

P.O. Will Be Closed Decoration Day

Regular holiday schedules will be observed by all post offices on May 31—a federal holiday by virtue of the fact that May 30, the usual Memorial Day holiday date, is a Sunday.

No delivery services, except special delivery, will be provided.

Street mail collections will be made on a normal holiday schedule, and outgoing mail will be dispatched.

In many cities, post office lobbies will remain open, providing access to lock boxes, stamp dispensers and mail deposit slots.

ANTIOCH, ILLINOIS, THURSDAY, MAY 13, 1965

VOL. LXXIX. NUMBER 46

Crown ACHS Prom Queen Sat. Night

This year's prom at Antioch High School will be a special one—the Golden Anniversary prom.

Antioch High School is 50 years old this year, and the anniversary has been commemorated by various events throughout the school year. The 1965 Sequoia will be a special one, too, with pictures and events from the past in its pages.

Theme of this year's Junior-Senior prom is "Over the

Rainbow." The doors of the gymnasium will open at 8:30 p.m. on Saturday, May 15. The prom-goers will enter a fairyland complete with characters from the Wizard of Oz scattered through a spring garden. Arching across one side of the gym will be a huge rainbow, complete with a pot of gold at the end, and a Wishing Well.

The Blue Notes will provide music for the evening's dancing. David Chandler,

president of the Junior class, will be "king" of the 1965 prom. The Queen will be crowned at about 10:30, chosen from among the five girls who make up the royal court. Her identity will be kept secret until she is crowned.

The Prom Court, all Juniors are Ruth Dyer, Penny Nader, Sue Maeder, Jill Thompson and Kathy Dobslaf. One of these girls will be Queen. The boys are Mike Stenberg, Tom Blackman, Don Anderson, David Fabry and Del Church.

This year's queen will be crowned by Barbara Close, 1964 Prom Queen. Bruce Dalgaard, 1964 King, will crown David Chandler.

Dave Chandler, as president of the Junior class, is in charge of overall arrangements for the affair. Chairman of the decorating committee is Pat Cunningham; Queen and Court committee, Melonnie Jensen; Tickets and Invitations, Cheryl Meyer; recreation, Cheryl Plack; Band, Joan Lindblad; Publicity, Janet Sheehan; Wall Decorations, Linda Brown, and Refreshments, Betty Frank.

Faculty sponsors are Nicholas Ross, Lucien McLean, Gilbert Krahn, Mrs. Betty Scott and Larry Landis.

Antioch Soph Winner At State Science Fair

Glen Oftedahl, a sophomore at Antioch Community High School, won an Outstanding award at the annual State Science Fair at the University of Illinois May 7 and 8.

Glen is the first Antioch High School student to win this award in the eight years that the school has participated in the fair.

Glen's project, "An Experimental Van de Graff Accelerator," was one of 1,200 displayed at the fair. Ninety Outstanding awards, the highest honor bestowed, were given out.

Glen took the Grand Prize with his project at the Science Fair at Antioch High School in March, the first step to participation in the State Fair.

He next exhibited his project at the North Suburban District Science Fair at Lake Forest on April 3. He won first place there over 340

projects displayed. This gave him the privilege of displaying his Accelerator at Champaign.

The State Science Fair is sponsored by the Illinois Junior Academy of Science. Glen's project was the only one from the Antioch area. This is the third year he has gone to the State Fair. "I think better projects are displayed each year," Glen said. "There are more entries, too. They had so many this year that there wasn't room for them all to be set up."

Glen's already planning next year's project—a cyclotron. "Next year, I'll be studying physics—at last," Glen said. "That's my real interest—right now I'm aiming at being a nuclear physicist."

Scientific seminars and lectures were also scheduled for the students during their stay in Champaign.

Take Action on Disaster Planning

Plans are under way for Antioch to have its own disaster plan, to be put into effect in case of such disasters as tornadoes.

The Palm Sunday tornado at Crystal Lake probably triggered the action. The Antioch Fire Department tabled its regular business at its meeting Tuesday night to hear Sergeant Jack Wells of the State Police recount some of the problems and confusion that caused trouble in helping victims at Crystal Lake.

Wells urged that a committee be set up to initiate a disaster plan. Chief Edgar Simonsen said that work will be started to draw up a plan, coordinating efforts of the Fire Department, Police, Rescue Squad and Civil Defense in disaster.

Some of the necessary ingredients for a successful plan are known, Chief Simonsen said. They will include a station outside town to stop sightseers, an element that adds to the confusion. Doctors and nurses will be designated.

A system to warn the public that a tornado is imminent is one of the biggest problems they will have to solve, Simonsen said.

Red Cross Sates Annual Meeting

The Annual Meeting of the Red Cross Lake County Region will be held at 6:30 p.m. May 25 in the Officers' Club at Great Lakes Naval Training Center. Guest speaker will be John Barr, chairman of the Mid-America Chapter of the American Red Cross.

Hundreds of Lake County citizens who served as Red Cross volunteers, and many prominent civic leaders have been invited to the affair. The Bluejacket Choir and a group from the Great Lakes band will entertain.

Barr will summarize the progress made with the year-old Mid-America Chapter, formed by combining chapters in Cook, Will, and Lake Counties, and Aurora.

Fire Calls In April

The Antioch Fire Department answered sixteen calls in the month of April.

On April 9, they extinguished a car fire at Sequoit Harbor; April 10, a grass fire at Channel Lake; April 12, a fire from a defective furnace at Carson's Bail Shop at Channel Lake; April 13, a grass fire near the Kirschmeyer Apartments on North Ave.; on April 15, a car fire on Route 59 one mile south of Antioch;

On April 18, a fire at the home of F. Schmidt in Felter's subdivision; April 18, a grass fire north of Antioch; April 18, a grass fire near this Diemer home on Lake St.; April 19, a grass fire in Oakwood Knolls; April 20, a grass fire near Carroll's Resort at Bluff Lake; April 21, a grass fire at Edwards Road and Route 45; April 29, a grass fire at the F. Miller farm at State Line Road east of Route 45; April 30, car fire at 4 Aces; April 30, grass fire in Rosing Subdivision; April 30, grass fire at Grass Lake.

Busy Week For Central High Band

Mr. Edward Stevens, band director for Central High and several surrounding grade schools, has a "big" week in store for him.

This grade school band will play at two PTA functions in Kenosha County this week; on Saturday, the high school band will be in Whitewater to be part of the state-wide music festival, and march in the large parade. On May 11, Tuesday evening, the band gave its spring concert at Salem Central High. This was the finale for the year.

MAYOR'S PROCLAMATION

WHEREAS: The annual sale of Buddy Poppies by the Veterans of Foreign Wars of the United States, an organization chartered by the Congress, has been officially recognized and endorsed by the President of the United States and the Veterans Administration; and

WHEREAS: The proceeds of this worthy fund-raising campaign are used exclusively for the benefit of disabled and needy veterans, and the widows and orphans of deceased veterans; and

WHEREAS: The basic purpose of the annual sale of Buddy Poppies by the Veterans of Foreign Wars is eloquently reflected in the desire to "Honor the Dead by Helping the Living"; therefore,

I, Raymond P. Toft, Mayor of the Village of Antioch, do hereby recognize the patriotic merits of this cause by urging the citizens of this community to contribute generously to its support through the purchase of Buddy Poppies, on the day set aside for the distribution of these symbols of loyalty in this village. I urge all patriotic citizens to wear a Buddy Poppy as mute evidence of our gratitude to the men of this country who have risked their lives in defense of the freedoms which we continue to enjoy as American citizens.

Signed: Raymond P. Toft

Heads Roll At Polls

A definite trend has shown up in election results this spring—a tendency to toss out the incumbent.

Why?

A good many of the votes are probably cast in the same spirit in which worthy school referendum are defeated. The taxpayers are simply sick and tired of paying too many taxes for too many things.

"Deliver or else" has become the motto of many voters. They're tired of continual tax raises, often coupled with sub-standard results. Public works projects that turn out to be miserably inefficient or just plain defective, built at a cost that makes John Q. Public wince, are too common to be laughed off any longer. The taxpayer who can't afford to re-decorate his home because his real estate taxes shot up this year is in no mood to laugh when he reads about silk wallpaper on an army officer's office wall, the wall of a public building that collapses when someone leans against it, or an engineering error that means another million down the drain.

Passing the buck—"that's not my job" or "I didn't know anything about it" doesn't set so well any longer. The taxpayer knows he might as well save his time as try to fix the blame, so his reaction is, O.K., let's throw the whole bunch out and see if someone else will do a better job."

It's not a bad idea. It may stimulate politicians to clean out their own ranks a little. They're in a position to know who's at fault when public monies are badly spent.

Party ties and friendship may weaken rapidly when a candidate sees his own chances of re-election go glimmering because the rest of the boys are doing a bad job.

That Burning Urge

The first balmy days of spring stir a burning urge in the bosoms of all householders, it seems—the urge to burn trash.

The laudable urge to polish the face of nature becomes not quite so laudable when the fires spread and grow into full-sized fires.

Every spring and fall Fire Departments get a flood of calls when fires get out of hand and threaten dwellings. This spring is no exception.

The Antioch Fire Department has had its share of the grass fire calls lately. In a ten-day period in the latter part of April they made ten grass-fire calls.

Any way you look at it, grass fires are expensive. If they get out of hand and damage someone's property, whoever set the fire is legally responsible for the damage. Fire Chief Edgar Simonsen warns. And even if the fire department quickly extinguishes them, with no real harm done, each fire call costs about \$75.00 Simonsen says.

It's really not too difficult to make sure fires don't get out of hand—mainly a matter of preparedness. Choose a quiet day, try to have water available, and stay and watch the fire to make sure it doesn't spread.

So control that urge—don't burn unless you have the right conditions and the time to control it.

Statement from the Library Trustees

The Library Board of Trustees offers the following information to the public in regards to the forthcoming referendum on Tuesday, May 25th.

The current rate is not sufficient to cover the present costs of paying library personnel, purchasing and caring for books, and providing adequate housing for all the many activities that a library could offer.

In 1950 when the library was moved into the present building it had a collection of 9,000 books and approximately 1,600 patrons. Today we have 19,000 volumes and serve 3,800 patrons.

In order to continue the present services and provide for future growth we need additional facilities and funds to operate them.

Our reason for asking .125 in the referendum

Your Congressman Reports.....

By Cong. Robert McClary

The recent Inter-Parliamentary Union Conference in Dublin, Ireland, provided the forum for a major confrontation between representatives of our nation and those from the Soviet Union on the issue of South Viet Nam.

It was the privilege of the writer to serve as one of 14 United States Congressional delegates to this significant international meeting in which members of parliament from 62 nations participated.

This oldest of international organizations (founded in 1889) has been responsible for promoting international understanding in many areas—including the arbitration of numerous disputes. Indeed, the need for such arbitration machinery was the motivating force when the Inter-Parliamentary Union was organized 76 years ago by parliamentarians from 9 countries, including France and Great Britain.

The greatest single achievement of this organization appears to have been the establishment of the International Court of Justice (the World Court at The Hague) which was recommended originally by the Inter-Parliamentary Union and thereafter supported by the parliaments of the approximately 110 respective member nations.

About 10 years ago delegates from the Soviet Union and various other Soviet bloc nations were admitted to the Inter-Parliamentary Union in the hope of gaining greater international cooperation. However, the Soviet delegates have developed the practice in recent years of endeavoring to use the IPU primarily for propaganda purposes.

As might be expected, the Soviet delegates offered a resolution at Dublin seeking to denigrate the United States as an "aggressor" in the South Viet Nam conflict and demanding the withdrawal of United States forces with no conditions attached. The position of our U. S. delegation was that a peaceful solution to the South Viet Nam crisis should be encouraged but that there should be no criticism of our nation's intervention in behalf of assuring freedom for the people of South Viet Nam. As part of the final action of the Inter-Parliamentary Union, a resolution was adopted consistent with our U. S. position.

In the work of the Cultural and Educational Committee, on which I served, particular emphasis was given to the subject of television as a modern means of promoting education—especially in reducing illiteracy in the underdeveloped countries. Again, in this case, the Soviets sought to find a propaganda advantage by condemning various types of American television programs, including Westerns, on the grounds that such programs were detrimental to the young people of the world. Fortunately, the resolution relative to television as an educational tool was adopted with all anti-American provisions deleted. Following final adoption of this resolution the writer was nominated to serve again as rapporteur, or secretary, of the committee.

Perhaps more important than the success which our nation enjoyed at this year's conference in terms of draft resolutions and official appointments was the opportunity for our delegates to communicate directly with leading political figures from the 61 other nations represented at this meeting. It is the opinion of the writer that international misunderstanding in the past has resulted

Springtime not only seems to bring the lovely flowers out of their buds, birds back from the south, and even the earthworm up from the deep, but also rats out of their holes. This seems to be the time of the year when those fast-talking, door-to-door salesmen prey upon Mr. and Mrs. Unsuspecting Homeowner. Both the Better Business Bureau and the local Chamber of Commerce warn you of this type of selling. You can help put a stop to these vultures who prey upon your payroll, by simply asking if they have a license to sell door-to-door. Any legitimate business man is more than willing to co-operate with cities and villages in procuring this necessary document. If he is unwilling to produce credentials, telephone both the local police and the C. of C. and in this way we will help to "erase" these wolves in sheep's clothing, and also protect your local legitimate business man, whose sincere interest in serving you is shown by his civic pride!

Whatever happened to all the plans for the development of some major resort attractions in the Chain O' Lakes area?

In the past couple of years there have been repeated rumors of plans for resort hotels complete with marina, ski facilities, golf courses and other recreational goodies, but all of a sudden the rumors have died out and nothing is accomplished.

One reason given for the demise of some plans is the state's disinterest in doing anything to enhance the recreational possibilities of the lakes region by dredging and marking of channels.

This is probably a chicken or the egg proposition where the state thinks the developers should invest thousands of dollars in the area first and the developers would like to see the Chain improved by the state first.

Local zoning restrictions have also hampered development of major resort areas in the county, according to reports, although county officials must realize the revenue that could be realized from such a development would be a welcome addition to the coffers of school systems, municipalities, and other taxing bodies.

Regardless of the reasons, it is apparent the Chain O' Lakes area has missed the boat in maintaining its position as the summer playground of the Chicago area and every weekend sees the highways filled with weekend vacationers by-passing our area to enjoy the recreational facilities of southern Wisconsin.

Perhaps the Lake County Board of Supervisors should establish a development commission that could work with potential investors to recapture the summer glory that was once the Chain O' Lakes.

It's getting more dangerous to drive in good weather, and safer to drive in bad weather. In 1962, less than 85% of the death and injury-producing accidents occurred in clear weather. In 1964, the figure climbed to about 90%.

Of course, icy roads produce numerous fender-benders, but the personal injury rate is low, and the injuries usually slight. The accident rate may be lower in bad weather, too, because many people stay home rather than fight the ice and snow.

Maybe the repeated warnings put out by all news media during bad driving weather are taking effect.

It isn't hard to tell when the "crazy days" come. The more beautiful the weather, the more determined people seem to be to commit suicide. Speed's the thing, drivers zip wildly in and out, while a few sight-seers jog blissfully along at speeds that vary with the interest in the roadside sights, oblivious to the fuming hurriers behind them.

frequently from the difficulties in communication. . . . At the Dublin meeting, expert interpretation, including simultaneous translations into English, French, Russian and Japanese of all remarks made at committee and council sessions, combined with the linguistic talents of many delegates at the conference contributed to an invaluable interchange of views.

A feature of the U. S. presentation to the Cultural and Educational Committee was a Peace Corps film outlining a private U. S. project culminating in construction of a new primary school in Columbia, South America.

This year's plenary session of the Inter-Parliamentary Union will be held in Ottawa, Canada, in September, where final action will be taken on the subjects discussed at Dublin.

except for one minor detail. Senate leadership should never have revealed the plan as a party stratagem because it has placed them on the defensive again.

The difficulty faced by the Republican leadership is one of public education.

It is harder to convince the average person on the philosophical aspects of re-apportionment and the concept of "one vote for one person" than it is to sell him on hard cash discussions.

The Democrats can come in with a re-apportionment plan that would on the surface be legal and proper and put the GOP in the position of rejecting it on political grounds because it gives the Democrats an advantage.

The Republicans will then be in a position of defending their opposition to two major legislative items.

Some compromise is going to be necessary, but it won't come easily for Republican legislators because of their fear of being tagged defectors, renegade Republicans or members of a new West Side bloc.

The purge of Republican representatives is still fresh in the minds of many GOP legislators and while the purge might have satisfied Cook County Sheriff Richard Ogilvie's sense of righteousness it has done nothing to make it possible for Republicans in the Illinois General Assembly to reach a common ground on legislative matters.

Republican leaders are hard at work trying to set up a slating system that will eliminate the costly and divisive primary battles that have marked recent statewide efforts of the GOP.

This is a laudable plan, but one doomed to failure until one man emerges among the Republicans who can put the finger on a candidate and be reasonably sure all other candidates will withdraw from the scene.

It is stretching the dream of unity to rather uncomfortable lengths to suppose that State Treasurer William Scott, Sheriff Ogilvie, Charles Percy, and William Rentschler, to mention just the most prominent possibilities, would all willingly set aside their ambitions to run against Senator Paul Douglas for the sake of party harmony.

Federal law requires warning labels and other consumer protection information on household chemicals which may be dangerous if misused or carelessly stored.

American Legion Auxiliary News

By Del Jahneke

Disabled war veterans are working in ten Illinois VA and State Hospitals, completing the 1,600,000 poppies which will be distributed in our state, to be worn in honor of the war dead and in tribute to the living victims of war, on Poppy Day, May 22, according to Mrs. John L. Horan, Sr., Poppy chairman for the Antioch American Legion Auxiliary No. 748. Several thousands of these veterans of World War I, World War II, and the Korean Conflict have been given employment by the American Legion and its Auxiliary in assembling these poppies.

The Antioch American Legion Post members will assist the Auxiliary in the distribution of poppies. Volunteers are always needed in this extremely worthwhile program and are asked to contact Mrs. J. L. Horan (phone 395-0645) to tell her when they can help.

Every poppy that is sold is made by either a disabled or hospitalized veteran, and he is paid for his work. The American Legion Auxiliary

"GOLD IN THE HILLS" TO OPEN NEXT WEEKEND

"Beneath this flannel shirt heats an honest heart!" cries John Dalton (played by Larry Landis) in P.M. & L.'s production of "Gold in the Hills," or "The Dead Sister's Secret," by J. Frank Harris. Dalton's honesty and courage are tested, of course, by Richard Murgatroyd (Al Bucar), a wicked villain fearing neither man nor devil, who proceeds to tempt one Neil Stanley (Gerri Duncan). The plot thickens. Neil's father (Jim Corrigan) proclaims, "You are no longer daughter of mine!" And so it goes.

Scheduled for evening performance on May 21, 22, 23, and 29, the three-act old-fashioned melodrama will move through scenes including: "a blow for defenceless womanhood . . . a pistol concealed . . . a fuse to avoid recognition . . . the vacant chair . . . the erring girl's return."

By Act III the villain will still pursue poor Neil. What will befall said villain, however, when John Dalton returns? And just what the heck is the dead sister's secret? P.M. & L. says, "Come and find out."

donates all the materials used in fashioning the Poppy. Any proceeds realized above the cost of the poppies, goes into Rehabilitation or Child Welfare work. "Wearing a Poppy" shows that you are honoring the half million war dead from the last three Wars. So, to make yourself, and others less fortunate, "Wear a Poppy" in remembrance!

Melonnice Jensen, delegate to Illinois Girl's State, will accompany Mrs. Joseph Horton, Illinois Girl's State chairman, to the 10th District "Silver Anniversary" Girl's State Tea, to be held in the Shavlin American Legion Home in North Chicago, on Sunday, May 16, at 2 p.m., with Mrs. Robert Kapheim, North Chicago, 10th District Illinois Girl's State chairman, arranging this annual affair.

The Gold Star meeting will be on Friday, May 14, at the Antioch Legion Home with Mrs. Earl Horton, in charge of the program. Mrs. J. L. Horan will be the presiding officer.

NEWS OF TRINITY EVAN. CHURCH

The Trinity Evangelical United Brethren Men's Society of Lindenhurst will meet Thursday, May 13, at 8 p.m. in the educational room of the church located on Beck Road at Valley Drive. Benjie Muffet, president, will be in charge of the meeting.

New members will be received into the fellowship of Trinity Evangelical United Brethren Church by the pastor, the Rev. G. Albert Murphy on Sunday morning, May 16, at 10:45. Loyalty Sunday and Membership Day will also be observed with Ralph G. Brooke in charge of worship. The Junior choir will sing, "I Will Not Be Afraid."

On Sunday evening, May 16, at 6:30 p.m. a potluck dinner will be served by the Women's Society of World Service in the social room of the church with Mrs. Frank Henry, president of the society in charge. A film entitled "To Every Creature" will be shown following the dinner. Moody-trained technical specialists, skilled pilots and radio men are shown in action. The public is invited to attend.

Daily Vacation Bible school will be held at the church

Thank Local Dealers For Help To Driver Education

Bill Lahti, of the Chicago Motor Club, last week presented Larry Ryan, of Lyons-Ryan Ford, and John Teresi, of Teresi Chevrolet-Oldsmobile, with plaques expressing the appreciation of the Chicago Motor Club for the vital contribution that the two local dealers have made to the lifesaving efforts of the Antioch High School Driver Education program.

Ryan and Teresi furnish the automobiles used in the driver training classes, at no cost to the school. The Chicago Motor Club, through its Accident Prevention Department, takes an active role in the driver education training courses in 281 Illinois and Indiana High Schools and also in promoting the grade school safety patrols.

GOP Club Earns Honor Award

Tri-County Republican Club of Boone, Lake and McHenry Counties will be one of the 27 Republican clubs in Illinois to receive the Gold Honor Award at the Spring Conference of the Illinois Federation of Republican Women to be held in Springfield on May 19 and 20.

Mrs. LaVerne A. Dixon, Gurnee, State Honor Roll Chairman of the Federation, who will complete her term of office with the Conference, will present the award. Receiving the Gold Honor will be Mrs. Thomas R. Davis of McHenry, wife of the Tri-County President.

Tri-County is the only Republican club in the 12th Congressional District to have fulfilled the list of achievements required for the honor. Last year they won the silver award. Organizations achieving the state gold award are eligible to compete for the diamond award given by the National Federation of Republican Women.

DEATH NOTICES

FRANK A. GRAMER

Mr. Frank A. Gramer, 70 years old of Wren Subdivision on Lake Marie near Antioch, passed away suddenly from a heart attack at 5:30 p.m. on Monday, May 10 at his home, while cutting his lawn.

He was born Nov. 21, 1894 in Chicago where he resided until moving to Antioch 10 years ago. He held membership in St. Peter's Church at Antioch and the Holy Name Society of that church. He was also a member of Local No. 45 Hawthorne Branch of Western Electric Pioneers. Mr. Gramer retired 10 years ago from Western Electric Company where he had worked as a tool and die maker. He was preceded in death by his wife, Helen, (nee St. Hilaire) Sept. 26, 1957, and a brother, Dr. Edward P. Gramer, on Nov. 25, 1948.

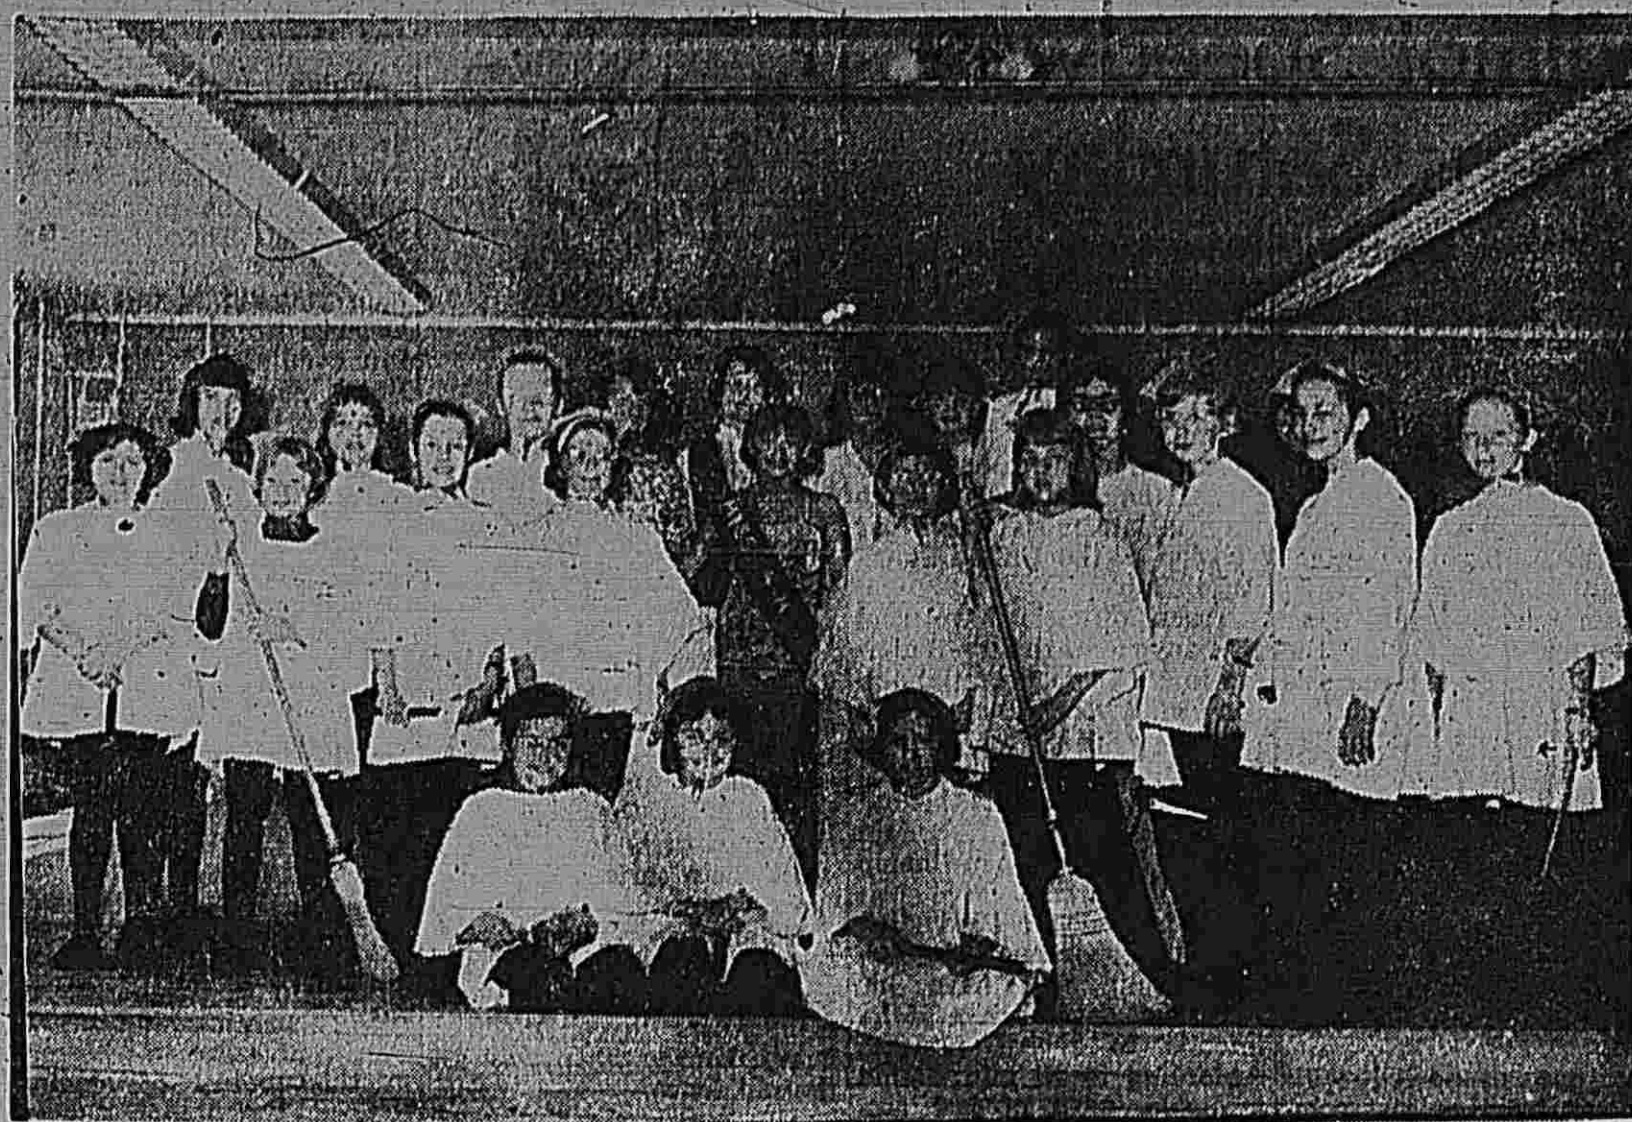

He is survived by one brother, John Gramer, Chicago; three sisters, Mrs. Florence Givens, River Grove, Ill., Mrs. Virginia Olsen, Franklin Park, Ill., and Mrs. Margaret Malm, Pensacola, Florida.

He was taken to the Lewis Funeral Home at 10300 Grand Ave. at Franklin Park, Ill., where funeral services are tentatively set for Friday morning at St. Gertrude's church. Interment will be in Queen of Heaven Cemetery. Local arrangements were made by Strang Funeral Home of Antioch.

FRED H. GAUGER

Mr. Fred H. Gauger, 70 years old of Powers Lake, Wis., passed away Thursday, May 6, at 4:00 p.m. in Burlington Memorial Hospital where he had been admitted one hour previously. Death came suddenly from a heart ailment.

He was born June 2, 1894, at Wilmet, Wis., the son of the late John and Mathilda Gauger. He had operated a blacksmith shop in Wilmet from 1916 to 1939, and afterwards had worked as a maintenance man for the Consumers Gravel Pit at Afton, Wis., for 9 years. He retired 5 years ago. He had moved from Wilmet to Powers Lake nine years ago. He married Bertha Drake on Sept. 27,

Wilmot Speedway Opens Saturday

The Kenosha County Fair Grounds Speedway at Wilmot, Wis., will begin its fourteenth year of stock car racing this Saturday, May 15. Time trials are scheduled for 6:45 p.m. and the first of nine events begins at 8:30 p.m.

The racing season will continue each Saturday night through September 4. Only one rain date is scheduled for the entire season. In the event of rain on the season's finale, the annual 100 lap feature will be run on Sunday night, September 5.

Jim Smith, track operator, has said that ten laps for the 100 lap race have already been purchased at \$10 each. He feels confident that the remaining laps will be sponsored and the lap fund "closed" by August 1.

Everyone connected with the track believes that competition will be even closer this year than it was during 1964. Roger Otto, the modified defending champion, will be back and his closest rival of the '64 season, Jim Sullivan, has made it known that he intends to win the crown in '65.

It could be that the added incentive is the Award Car, a 1965 Plymouth Fury III, which will be awarded to the

season champ. This is the second time a car will have been given to a season high point winner at Wilmot. In 1960 Norm Nelson of Racine won a new car as track champ. It was the same year that Nelson went on to become the National Champ for the late model stock car division of the United States Auto Club.

Track officials have said that anyone of the top 8 drivers in 1964 is a potential season champ. Among this group is Bill Strom of Milwaukee, who finished third last year, 35 points behind the leader. Hoping to retain his title as Sportsman Champ is Harold Gutche.

As in the modified division, the sportsman defending champ will have his work cut out for him if he intends to repeat himself. According to all information available, most of last season's sportsman drivers will be back with newer and faster cars.

The speedway is installing additional seating which has been needed in order to accommodate the larger crowds each race night. Also new is a track warning light system made up of regular stop and go lights. This system will be in addition to the regular warning lights

Spring has finally begun to appear and a busy summer season is in the offing for anyone who has the acting

presently in use. Each turn of the track has had the wood fence removed and replaced with highway type steel guard rail. It was felt that the speed of cars has increased to the point that the wood rails in the turns would be a serious hazard to the drivers.

No one has ever suffered a serious injury due to the wood fence in the past but many cars have suffered heavy damage when they hit the old fence.

Also new is a refreshment stand in the pit area for the drivers and pit crews. This will eliminate the need for crews to walk to the grandstand area for food and drink.

Rusty Kaye of Silver Lake is beginning his fourteenth year at the Wilmot oval and has been named track manager. Kaye, a veteran stock car driver and race official, was season champ at Wilmot in 1953 and won the first 100 lap race ever attempted at the speedway.

"Jack at the Track," the popular 15 minute radio show on racing, is back on the air over WLIP in Kenosha. Jack Biddison, the Kenosha County Speedway announcer, is host of the racing news program and can be heard every Saturday at 5:15 p.m. He can also be heard every Saturday from 3:45 to 4 p.m. on WKRS in Waukegan—1220 on your dial.

"bug" or enjoys attending live theatre.

Watch for the coming honest-to-goodness "melodrama," *Gold in the Hills*, or *The Dead Sister's Secret*, which will be presented at the PM&L Theatre on May 21, 22, 28 and 29. You'll hate yourself if you miss it because it promises to be a fun evening. Seeing Dr. Al Bucar emote will be, in itself, worth the price of admission. Doc isn't the only talented Bucar—son Bruce will be making his debut in this show and, of course, wife Phyllis made her first appearance last December's Children's Theatre production of *The Elves and the Shoemaker*.

Don Beveroth, an English teacher at ACHS, is directing the performance. Don will be remembered for his excellent portrayal of Harry the Horse in *Gypsies and Dicks* and for his outstanding performance as Walter Mitty (among others) in *A Thurbur Carnival*. Several newcomers to the PM&L stage will be seen in this revival of old-time theatre: Mrs. Robert Jensen, Jim Corrigan, Nancy Geiger, Tom Mayerle and Laurie Lewis.

Several PM&L members are sharing their talents with

other theatre groups. Maja Cardiff is singing with the chorus of *The Student Prince* which will be produced this month by the Woodstock company. Ken Smouse directed the Avon Players in *Exit the Body*, recently. Tryouts for *The Music Man*, this summer's musical production, began May 2, and additional tryouts were held last Friday at the theatre. A large cast is needed.

Styles Of Early Lake County At Museum Benefit Show

A luncheon and style show for the benefit of the Lake County Museum of History, to be held at the Fair Building in Grayslake next Wednesday, May 19, will cover styles from earliest history to today.

Mrs. James McMillen will produce the style show. Though many local people have seen Mrs. McMillen's Queens of History, something new has been added this time.

Many of the dresses that will be modeled at the May 19th show are the property of the Lake County Museum of History. They were loaned to Mrs. McMillen just for this show.

An evening gown which will be shown was worn to the White House in 1861 by the daughter-in-law of Union General Louis J. Blinck. General Blinck covered the retreat at the first Battle of Bull Run.

The dress was worn again in 1876 in Philadelphia during the Centennial Anniversary. The only public appearance of the dress since then was on the Dorsey Connors show. It has been carefully preserved in the museum, though there is not enough room in the old Museum to display these many treasures.

A plum colored traveling dress in the style of the 1800's was worn by Eglantine Daisy Stewart who lived on Buckley and Waukegan Road. The dress was originally purchased from Mandel's.

A vanilla-colored gown with a sweeping train was given to the museum by Mrs. John Besley. The dress

was purchased after the Civil War.

A rust-colored gown is an 1885-style given to the Museum by Mrs. Stephen Butera of Zion. It was worn by an early Lake County, Stella Jordan.

Plumed hats, elaborate bonnets, a beaded cape, are a few of the treasures which will be modeled at the history of fashion.

Incorporated into the style show will be a reproduction of a Civil War wedding. Present-day styles from Olson's Apparel at Grayslake will also be displayed.

Mrs. McMillen has done a great deal of research into styles of former days, the

accessories worn at each period, etc. The modeling of each outfit is accompanied by a running comment from Mrs. McMillen with many sidelights on early customs.

Some of a priceless collection of fans will also be shown at the museum benefit show.

All proceeds from the Style Show will go to the Lake County Museum of History Fund.

Tickets for the show may be purchased from King's Drug Store and the State Bank in Antioch, or from Olson's Apparel at Grayslake. The show will start at noon, and will include lunch.

Renew Vows At 50th Anniversary

Mr. and Mrs. Lloyd LeGros

Mr. and Mrs. Lloyd LeGros, Rt. 1, Antioch, celebrated their 50th wedding anniversary on April 25, by renewing their vows in a golden candlelight service at the Lakeland Baptist Church in Lake Villa.

The Rev. Robert E. Prinz officiated at the service. Mrs. Violet Lehecka, Mrs. Gros's niece, served as matron of honor, and her husband, Edward, as best man. The "bride" received a new wedding ring during the service.

After the ceremony, a reception for approximately 125 relatives and friends was held at the Renwood Country Club. Friends from California, Florida, Wisconsin, Michigan and Illinois were present.

Mr. and Mrs. Le Gros moved to Antioch recently from Chicago. They plan to make this their permanent home.

TOM MORGAN, far right, crosses the tape first in the hundred yard dash Friday at Salem. Morgan went on to win the finals in the event and then later anchored the 880 relay team to a new meet record in the 1/2 mile relay.

Sequoits Repeat Win Of Salem Track Crown

Antioch won the Salem Invitational Track Meet Friday night for the second straight year, compiling 46 points, edging their nearest competitor, Oak Creek, by four points.

Coach Roger Andrews, in an effort to save his boys for the State District qualifying meet scheduled the next day, ran with a dangerously thin squad. His top boys in the running events, Tom Morgan, Bruce Dalgard and Jim Edwards, competed in only one event each.

Jim Effinger ran the quarter-mile instead of his usual half-mile distance. Effinger placed second in the event and tied the school record for the distance with a 52.6 clocking.

The 880 relay team won first in their event and set a new meet record with a clocking of 1:35.6. Edwards, Dave Fabry, Dalgard and Morgan beat the old record of 1:35.6 by 2 seconds.

Morgan and Dalgard placed first in the 100 yard dash and the 120 high hurdles as expected. They had times of 10.5 and 15.7 respectively. In the 180 low hurdles Dave Fabry came in 4th ahead of teammate Jim Edwards to pick up some needed points.

Running with three sophomores and a junior, the Sequoit mile relay team finished with a strong second place. Bill Sheldon, Jim Litchfield, Bruce Young and Fred Gras made up the squad.

Tom Wojnowiak wound up the Antioch point total in the running events with a 5th place in the mile.

In the field events, Bob Flood edged out teammate Tyrone Walls on his last throw in the shot put. Walls was leading the event with a toss of 48' 1" when Flood made his final throw of 48' 2" to win the event.

Bob Schenk won first in the high jump with a leap of 5' 11 1/4". Don Johnson added another 2 points with a 4th in the event. Edwards took 4th in the broad jump and Flood finished with a 4th in the discus to wind up the competition.

Morgan Goes To State Track Meet

Tom Morgan will represent Antioch this weekend in the State High School Track competitions at Champaign. Morgan was the only Sequoit to win the coveted trip to Champaign at the district competitions Saturday at Evanston High School.

Morgan qualified in both the 100 yard dash and the 220. He just made the qualifying time of 10.2 in the 100 but turned in the best time of the day in the 220, with 21.8.

Bruce Dalgard barely missed taking the trip when he ran the 120 high hurdles in 15.5 seconds. Qualifying time in the event was 15.4. Jim Effinger, trying in the half-mile, missed out also as his 2:00 effort fell far short of the two minute flat clocking needed to qualify.

Sophomore Jim Litchfield although he didn't qualify, did a good job running the 1/4-mile. Litchfield won his heat and turned in a time of 54.1 for the distance.

Other Sequoit competitors,

BRUCE DALGAARD takes the final hurdle in the 120 yard high hurdle event. Dalgard took first place in the event and helped the Sequoits retain their championship of the Salem Invitational.

BOB FLOOD shows a bit of the form that won first place in the shot put at the Salem Invitational Track Meet Friday. Flood barely nosed out teammate Tyrone Walls tossing the steel ball 48' 2" on his last try. Walls best effort was 48' 1".

Tom Wojnowiak, mile run, Bob Schenk, high jump, Bob Flood and Tyrone Walls, shot put, also failed to qualify.

LAKE VILLA BASEBALL NEWS

By Mrs. Bernice Bernau
Little League Baseball got underway Monday night at Clark Field when the Mack Realty Braves and the Avery Plumbing Sox played the opening games.

The Babe Ruth League will play their first game Monday, May 31 on their own field in back of Ring's Funeral Home. A flag, and pole, donated by the Lake Villa VFW will be dedicated at the opening game.

Ray Parpan is managing the 23 boys who will play in the Minor League. Two teams will be formed and they will practice every

Monday night.

The schedule for the coming week is:

Thursday, May 13—Eldenhurst Police-Myers Standard Dodgers vs. Franklen Angels.

Friday, May 14—Avery Sox vs. Lake Villa Pharmacy Pirates.

Monday, May 17—Lake Villa Lumber Giants vs. Franklen Angels.

Tuesday, May 18—Lindenhurst Men's Club Cubs vs. Pharmacy Pirates.

Wednesday, May 19—Lindenhurst Police-Myers Dodgers vs. Avery Sox.

No games will be played on Saturday or Sunday during the season.

Why I'm Back At Indianapolis

By Jim Hurtubise
Veteran Indianapolis "500" Driver

I guess it just never struck me that people would wonder why I'm coming back to the Indianapolis Speedway for the "500", but I've heard that some folks expressed a little surprise. They must be people who have seen me race, but I don't believe they really know me. If they did, I don't think they would have to try to figure out why I'll be back at the Speedway this spring.

There's a pretty simple answer, because returning to racing wasn't a complicated thing for me to decide. I guess you could reduce it to a word—"Profession."

Racing's been mine for 13 years. It took eight of them just to get to Indianapolis. Lots of people know that 1935 will be my sixth consecutive "500" race, and they've seen me do some fancy driving at Indy in past years, even though I've never finished better than 13th. But they don't know how tough it is along the way to a circuit like the United States Auto Club's championship division. They don't know what a young race driver goes through before he's capable of competing against drivers of the Foyt-Jones-Ward caliber. It's a tough league, to break into, and tough to stay in.

The reason I've been so determined to return to the Indianapolis "500" is the same reason I'm back in racing at all—driving race cars is the job I chose a long time ago, for several reasons. Like any job when you're competitive, there's a lot of enjoyment in the racing life. And the money is good, too, with today's attendance and purses bigger than ever. I like competition; I like the people; especially the many friends I've met through racing who have been so wonderful to me since my accident. There's the travel part of big-time racing that adds to my enjoyment, too.

Racing is dangerous, sure. Who knows that better than me, after last summer? But there are other dangerous jobs, too. How about construction work and mining? Lots of people are taking big chances every working day. I don't think they mope around thinking about how dangerous their jobs are. And, they don't quit! Instead, when they go to work, they do the best they can. I believe that they get satisfaction from their work just as I do from racing.

Well, I've made my choice, as I mentioned, and it's the thing I'm happiest doing. That's why I jumped right back into racing with both feet, as soon as the doctors said o.k. In my profession, the Indianapolis "500" is the high spot of the year, the richest prize. Winning it is a wonderful way to approach the rest of the season.

This May, running in the "500" will leave no doubt in people's minds that I'm still competitive and going to continue my racing career. When the pace car comes off turn 4 and shoots down the pit lane, I'm going to stand on the throttle like I did in my rookie year, and run all day in a way that will make everyone really know that "Herk" is back—to stay!

It's Spring, And The Fishin's Good

The northern pike and bass fishing at Little Silver Lake are good right now, according to Wayne Erickson of Jacys Resort.

The pike are going for minnows and suckers, says Wayne. A lot of the bass fishermen are using pinkies.

H. M. Mackey, Zion, snagged a 5 1/4 pound large-mouth bass there last Friday.

Woody Wilson, Chicago, caught a good-sized pike in the rain last Sunday morning.

Little Silver Lake is one of the few lakes in the area where motor boats are prohibited.

NICC Memb'rs Take Case To Springfield

Three members of the Northern Illinois Conservation Club left for Springfield today (Thursday) to meet with State Representatives and Department of Conservation representatives. Object of the trip is to present their case in the club's drive to get an open ice-fishing season on Northern Pike.

The club members are taking petitions with 5,000 signatures to back up their plea for the open season. They will be joined in Springfield by Representatives John Connolly, Francis Berry and William E. Hartnett, all from this area.

William J. Harth, Superintendent of the Division of Fisheries, and William T. Lodge, Director of the Department of Conservation, will be presented with the petitions and the club members' case for the ice-fishing season. Jim McMillen, Superintendent of State Parks, will also take part in the discussion.

The NICC has been trying to get a three-week open season on Northern Pike during the winter for ice-fishermen. The move has been opposed by Sports Fishing Unlimited, a club formed last winter.

STEVE STEVENS No. 84 is a completely new modified racing car at the Waukegan Speedway.

Reimer Sweeps Modified Feature

John Reimer of Caledonia, Wis., rammed his modified A3 into an early lead Friday night to capture the 25 lap feature race at the Waukegan oval. John was last season's modified champion and it looks like he is shooting for the 1965 crown early this year. With two nights of Modified racing under his belt he has taken a commanding lead in the point standings race. Reimer stated the competition is a great deal stronger this year and the champion will have to work hard and drive flawlessly.

In the first heat for Modifieds, John Garner captured the checkered flag as the fans gave him a standing ovation and roar of approval.

Garner battled with Darve Nissen for 8 laps and literally drove over Nissen's modified No. 21 for his win.

The crowd was brought to their feet again in the 4th heat when the popular Kenny Toulgan, in his Twenty Bird Special, came from the last row inside to catch the flag on the last lap.

Toulgan also captured fast time for the evening.

With the second full night of modified racing it is obvious that the drivers and car owners are getting the bugs out of their cars and performances. The No. A4, owned by the Antioch-Racing team and driven by Geno Wagner, came on strong Friday night and we can expect big things from this team this season. Jim Lawrence, Bris-

tol, Wis., is driving the best of his five years experience and promises to be in the front many times this year. Jim has added an injection system to his flashy, No. 51 which explains part of his improved performance this far.

The efforts of promoter Gordon Sill have paid off as the compliments of fans and drivers continue to pour in. Since Gordon took over the Waukegan Track 2 1/2 years ago he has made numerous improvements and there are many more to come. Gordon states he won't quit until he has made the Waukegan Track the finest in the midwest.

The public highway is for sharing, not competing! Squadding tires and roaring exhaust marks you as an amateur. The safe driver is courteous and shares the road. He adjusts his speed to prevailing conditions.

St. Mark Lutheran Church. Bruce Boren was elected president of the Luther League of St. Mark Lutheran Church at last week's supper meeting. Also elected were Beverly Bybee, vice president; Peter Schmeisser, secretary; Gary Fee, treasurer; Karen Havin, scriber; and Maxine Shultz, stewardship secretary.

They will be installed May 23, when they have the reception for the 20 youths who will be confirmed on June 2. A banquet will precede the installation ceremonies.

St. Mark Lutheran Church welcomed 27 new members into their Christian family last Sunday. Coffee was served by the ladies of the A.L.C.W. after services during the social hour.

The annual Mother-Daughter banquet will be held Thursday evening at 6:30 p.m. in the all-purpose room. The North Chicago Conference Convention will be held in Westchester next Sunday evening at 7 o'clock. Last Sunday's church flowers were given by Mr. and Mrs. Axel Swanson on the occasion of their 14th wedding anniversary.

A silver creamer and sugar bowl were given by the Pischke family.

Prince of Peace Church. Mrs. Edward (Dorothy) Kovanda of Lindenhurst was elected president of the Altar and Rosary Sodality of Prince of Peace Church at last Wednesday's meeting. Mrs. William Belter, first vice president; Mrs. Thadeus Skora, second vice president; Mrs. George Anderson, secretary; and Mrs. Jerome Kneiff, treasurer. Installation will be held at the June 2 meeting.

The C.Y.O. Club will hold a car wash on the parish grounds all day Saturday.

The C.Y.O. Club will receive Holy Communion next Sunday at the 9:15 mass. Meeting and breakfast will follow. Election of officers will be held.

The new officers will be installed at a breakfast at Lorenz's Smart Country House in Antioch after the 9:15 mass on Sunday, May 23. Parents and friends are invited to attend. Reservations may be made after mass on May 16, or by calling Carol LaBarbera at Elliot 6-7214.

Teachers Needed. Teachers are needed for Prince of Peace School for next September. Qualified teachers are asked to apply. If interested, please call Fr. Lynch at Elliot 6-7915.

PTA to Install Officers. The PTA of the Lake Villa

Grade School will install their officers for the 1965-66 year at their Monday, May 17 meeting starting at 8 p.m. in the school gymnasium.

Verne Mortenson will be installed as president for a second term. Elmer Frank, vice president; Mrs. Al (Eleanor) Swanson, secretary; Mrs. Lester (Betty) Bomer; Mrs. Donald (Karen) Curtis, treasurer.

Coroner Orville (Pat) Clavay will be the guest speaker.

Women's Club Meeting. Mrs. Richard Wells' Cadette Troop 173 and Mrs. Frank Henry's Junior Girl Scout Troop 249 will prepare the food and present the program, respectively, at the Lindenhurst Women's Club mother and daughter night, Thursday, May 13, at 7 p.m. at the Olive Center.

Visit Elders. Junior Girl Scouts in Troop 269 visited the Zion Nursing home recently.

Nelson gave demonstrations on how to make candles at last Wednesday's meeting of the Lindenhurst Daisies. Kathy Jones showed how to take pictures, and Debbie Jones told how to develop the film. Sherri Thompson showed how to make deviled eggs.

The girls are planning a roller skating party at the Lake Region Roller Rink in Antioch on Monday, May 17.

Mrs. Andrew Webster, leader, is asking for 4-H leaders. If the club is to continue, more help will be needed. Anyone interested in finding out what the job would entail, should call Elliot 6-5933.

Ilott 6-5933.

"Nite-Owls"

The "Nite-Owls" played cards Friday evening at Pauline Heick's home, prizes going to Pat Viba, Florence Graszewski, and Ellen Harsh.

Bridal Shower

A bridal shower was given for Carol Plotzke by her grandmother, Mrs. Angeline Mule, and aunt, Mrs. Grace Gnoffo at the Jolly Club recently. Carol and Ed Martin of Lake Villa will be married June 5 at Prince of Peace Church.

Mother-Daughter Banquet. Junior Girl Scout Troop 212 of Venetian Village held their annual Mother-Daughter banquet last Wednesday.

with all mothers of the 27 girls attending. Honored guests were Mrs. Dorothy Derrlerian, neighborhood chairman; Mrs. Doris Surrock, troop organizer; and Mrs. Virginia Barlow, troop consultant.

Each mother received an embroidered hand towel that her daughter had made. Mrs. Barbara Mitchell, troop leader, was presented with a beautiful floral arrangement from her co-leaders and the girls. Lapel pins were given to Mrs. Marcella McCarthy, co-leader, and Mrs. Vicky Pleviak, committee mother, in appreciation.

Vicky Mitchell was mistress of ceremonies. Robin

If you're completely satisfied with humdrum driving stay out of tiger country.

Fierce beasts such as the GTO roam at will, growling and snarling in the night. Sleek Grand Prix and Bonneville's slink silently by. Here, too, prowls the agile Le Mans and the ferocious 2+2; the graceful Catalina and the nimble Tempest. Bucket seats and luxury flourish. Horsepower from 140 to 376. People seen entering tiger country never leave. You have been warned.

(Written for May 6)
Mrs. and Mrs. Richard Prange became the parents of a 7-lb. 6-oz. baby boy April 23 at Garbondale, Ill., where Mr. Prange is attending school. Mrs. Prange, the former Dani Stratton, and her husband have named the baby Michael Shannon and have a two year old daughter, Jill.

The Channel Lake PTA held its last meeting this month and held the installation of officers. Although the school will be closed for

at least a year, the charter will be kept and when school is resumed the PTA will try to take up where it left off. Those installed were Louise Gutowski, president; Gladys Zibus, vice-president; Birget Gibson, secretary; Patricia Harland, treasurer; Mary Bierman, parliamentarian; and Jean Soby, hostess. An orchid corsage was presented to the outgoing president, Dorothy Enzenbacher by her officers in appreciation of a two year job well done.

Fred and Helen Liebert of Cox's Corner were involved in an automobile accident on April 24, when going to visit relatives. Mrs. Liebert suffered multiple-bruises and her mother, Mrs. Coleman, who was with them, suffered a broken knee. Both were hospitalized in St. George's Hospital, where Mrs. Coleman will remain for several weeks. Mrs. Liebert was released and returned home last Thursday.

Mrs. Jean Soby, Mrs. Birget Gibson, Mrs. Mary Bierman and Mrs. Dorothy Enzenbacher visited the Dixon, Ill., State Hospital, Sunday, May 2, for the annual open house, held every year by the hospital.

Members of The Channel Lake Cub Pack, accompanied by their Cubmaster Bruce Barnes and Mr. Merle Gibson, went on a field trip Sunday, May 2 to visit a milk farm in Gurnee. On the way home the youngsters stopped at an ice cream stand on Rte. 41 for a snack.

Mother-Daughter Banquet

The Mother-Daughter banquet held at the Lake Villa Methodist church Wednesday evening was an evening enjoyed by all attending. Welcome was given by Mrs. Richard Ruck. A Mother Speaks, by Mrs. George Wold, and a Daughter's Reply, by Miss Deborah Karr.

The newly elected officers of the Women's Society of Christian Service were installed by Rev. Virgil Smith. Musical selections were given by the Peterson sisters. The Year's was enjoyed. Wedding gowns from 1903 to 1964 were modeled and shown. Pianists were Mrs. Delbert Sherwood and Miss

Diana Lou Colbert. Narrator was Mrs. Warren Brown; flower girls, Miss Deborah Popp and Miss Melody Whittingham. Pages were Miss Lauri Reidel and Miss Judy Stading; program committee—Mrs. Leo Miller, Mrs. Richard Ruck, Miss June Ruck, Mrs. Robert Hartman, Mrs. Ben Pralier, Mrs. Donald Warner, Mrs. Orlo Bartholomew and Mrs. Robert Bailey.

V.F.W. Items

Installation of officers for the Lake Villa V.F.W. Post and Auxiliary will be May 23 at the Lake Villa VFW Home located on Soo Line road and Grand Avenue. It will start at 2 p.m.

VFW members are asked if they have any clothes, books or eye glasses they would like to donate to the Dixon hospital, to get in touch with Kay Kasting for further details.

Correction

Anyone wishing to send Joe Nader, Sr., cards should send them to St. Theresa hospital in Waukegan instead of Condell hospital as stated in this column last week.

American Legion Items

The Lake Villa Township American Legion Post will sell Poppies on Friday, May 21, and Saturday, May 22. Please give generously to a worthy cause.

The American Legion Auxiliary will hold their meeting Thursday, May 13, (today) at 8 p.m. Place of meeting, call LaVern Kreamer, El. 6-7074 or Undine Perkins, El. 6-7304, Thursday. Notice will meet at Johnson's at 4th Lake, Lake Villa.

Visitors

Mrs. Lloyd Repke and family of Ringwood were visitors Sunday at the home of her mother, Mrs. Anna Nelson.

Mr. and Mrs. Clarence Perkins visited friends at Oak Park, Sunday.

Mr. and Mrs. James McGrain and family of Waukegan, Mrs. Frank Slazes, Jr., and family of Lake Villa, Mr. and Mrs. Elmer Keisler and family and Mr. and Mrs. Leif Larson and family, all of Antioch were guests Sunday at the home of Mrs. Frank Slazes, Sr.

Mr. and Mrs. Carl Reinbach returned home Monday after spending the winter at St. Petersburg, Florida.

Mrs. Albert Healey, her daughter and grand-daughter were visitors Friday at the home of Arlene Letting.

Mr. and Mrs. Donald Davidson and daughter have returned to their apartment at 309 Grand Ave., after spending a week in Antioch, while a new porch was being built at their apartment in Lake Villa.

Approve 2 Traffic Safety Proposals

Two of Secretary of State Paul Powell's traffic safety proposals have been approved by the Senate Committee on Highways and Traffic Regulation. They have already been passed by the House of Representatives.

The measures call for rectorizing motor vehicle license plates and raising from 18 to 21 years the age at which parental or guardian consent is required to obtain and retain a driver's license. A companion bill to the one authorizing rectorized plates which would increase

license fees 50 cents each to cover the added cost was also approved by the committee.

The vote was 16 to 1 on the rectorizing bills and 15 to 1 on the parental consent bill. The bill authorizing rectorized plates has been sent to the Appropriations committee.

The measures were introduced into the House by Representative Allen Lucas of Springfield, and are being handled in the Senate by Senator Paul A. Ziegler of Carmi.

Secretary Powell expressed gratification at the committee's approval of the two measures, terming it "an important step toward eventual enactment into law."
